Dear Parents,

E-Safety Sessions

The internet is great fun but it does have dangers and we want your children to be safe online. We teach Internet Safety to all pupils and have a team of e-cadets who are trained to help other children in school with internet safety. As a school we are frequently approached by parents who have asked for advice on how to keep their children safe online.

On **Wednesday 1st February** our Parental Support Advisor Lyn Moore will be holding two Internet Safety sessions at the Village site to inform parents of the potential dangers of websites and answer questions about how to keep their children safe. You will only need to attend one session as the content will be identical.

The first session will be from 2:30pm to 3:10pm. The second session will be from 3:30pm to 4:10pm. If you choose to attend the second session school age children will be supervised in the school library whilst you attend the meeting. If you wish to attend one of the two sessions please could you complete the slip below and return it to school by Wednesday morning. Thank you.

Diary Dates

World Book Day is on Thursday 2nd March. School will be celebrating **World Book Day on Friday 3rd March** as some of our children are out on a fun run on Thursday. Children may come into school dressed as a character from their favourite book. Throughout the day children will participate in book themed activities, including a book themed quiz!

Mother's Day Assembly – Thursday 23rd March. Sherburn Hill – 9:05 am, Sherburn Village 2:30pm

We hope that you can come along and join us for this special assembly.

Sainsbury's Active Kids Vouchers

We are collecting Active Kids vouchers once again and these will be available in Sainsbury's stores until 2nd May. Please ask your friends and families too – we use the vouchers collected to 'buy' additional sports equipment for the children.

There are a lot of coughs and colds about at this time of year and we are delighted that many of our children soldier on and realise the importance of school attendance. If your child does come to school with a cold it would be very helpful if they could bring a small packet of tissues with them.

Yours sincerely
