Dear Parents,

It has been wonderful to welcome the children back to school. They all look very smart in their school uniforms.

Work on the new doors and windows is almost complete and I hope you agree that the school is looking much smarter. Most of the work in the main building has been completed; however, work is ongoing to renew the windows in the section of the annex that is still standing. This should be completed by the start of October.

Reward Assembly

Reward Assembly is held on Friday mornings at 9:05am. The first assembly will be on Friday 20th September, everyone is welcome to attend. Reception Class children will not be attending Reward Assembly this half term.

Parking

Please can you avoid parking your car on the school turning circle at the start and the end of the school day. School and Durham County Council have received complaints this morning as the school bus was unable to access the turning circle to drop off the children, which is unacceptable. If parents continue to park here before and after school, the turning circle will have to be coned off before and after school.

Flu Vaccination Reminder

We have been asked to remind parents to register their children for flu vaccinations. NHS advice states 'flu can be a very serious illness and can cause major health issues, particularly in children and the elderly. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.' You can register using the link and code you received from school last term. If you need another copy of the link, please collect one from the school office.
