4th February 2021

Dear Parents,

We are coming to the end of another week of home schooling. We really appreciate the amazing job that you are doing to support your children with their work, despite the many commitments on your own time. It is fantastic to see how well the children are engaging with their learning. Some excellent work is being returned. Thank you. Please remember if there is anything more that we can do to support you, please don't hesitate to get in touch with either your child's class teacher via Class Dojo, or myself via the school office.

This week is Children's Mental Health Week. We are sharing this link with you as it has some great resources that can be used by both schools and families. This year's theme is Express Yourself. It is well worth a look! <https://www.childrensmentalhealthweek.org.uk/>

Sherburn Primary Lockdown Art Competition

Mrs Lightowler has organised an Art competition. The theme for this competition is 'A view from my window'. You can use any media to create a piece of artwork which represents the view from your window. Further details will be sent to you by your child's class teacher.

Our Local Community is asking for our help. It would be great if you could support them.

Decorated Stones

The Parish Council are collecting decorated stones as a lasting memorial of the current pandemic and of how people have really pulled together to support each other through these troubled times. They would really appreciate your support with this. The decorated stones can be dropped off at Sherburn Post Office or at Sherburn Primary School.

Caring Hearts

Please see the attached information from Sherburn Hill Hub.

Take care and stay safe

Yours sincerely,

S Cornforth
Headteacher
