Dear Parents

Personal Details Update

You should have now received an email from noreply@sims.co.uk to update or confirm your child's personal details. Please confirm details are correct even if there are no changes. If you have not yet received an email (please check your junk mail too) or you need any help with this, please contact the school office.

Individual Health Care Plans

We have recently sent out updates for all those children we are aware of that have medical conditions (asthma, eczema etc) If your child does have a medical condition and you have not received a care plan for them, please contact school so we can update our records and draw up a care plan for them.

School Meals

Our new Autumn/Winter menu starts on Tuesday 2nd November. If your child will be having a school dinner please return the menu to school by **Friday 15th October**.

Can we once again please remind you that if your child has a school dinner and would like to change to packed lunch, you must inform the school office and give one week's notice. Likewise, if they would like to start having a school dinner you must contact the office a week in advance.

ClassDojo

Please only use ClassDojo for learning/classroom related enquiries. Pupil absence, medical appointments, school meals changes and all other admin related enquiries should be made through the school office.

Coats

We have a small number of children who are coming to school without coats. Please could you make sure that your child has a coat in school each day, as we try to get the children outdoors at playtime and dinnertime and it is becoming colder and wetter!
