

Year 1 Autumn

I'm Making History

As historians, we are finding answers to the question:

How do I find out about me?

This term, the children will be talking about themselves and finding out about life for children in the past. We will use photographs and other sources to discover our own history and to create a personalised timeline.

On our book shelf you will find lots of picture books.

In reading, we are excited to begin the Little Wandle phonics reading programme. Children will read a focus book at school during the week, then bring the book home to share over the weekend and return it to school on Monday.

In writing, we will be building our independent writing skills.

Working as Mathematicians we will be looking at place value to 20 and carrying out addition

RE	ICT	SCIENCE
Children will find out what Christians believe about God and will be celebrating Harvest Festival.	The children will learn to log into their own school accounts and will explore the school's programmes.	Children will learn about how they have changed since they were babies and their senses. We will also learn more about animals and pets.

In Art, we will look at the portrait work of Pablo Picasso and Andy Warhol. As Artists, we will be creating our own portraits.
